## Holiday Wish List Tips

-  Contact the organization directly before you begin a drive or a volunteer project on their behalf.
-  Team up with your friends, family, or coworkers to collect donation items. Together you can make a bigger impact.
-  Start a collection to purchase needed gift cards/certificates.
-  Remember your donation items should be new (unless otherwise stated) and food items should have long expiration dates.
-  Keep in mind that agencies are often overwhelmed during the holiday season so please be patient and respect their wishes.
-  Let the agencies know you found their needs in **Aloha United Way's 2023 Holiday Wish List.**

## Thank you for making a difference this holiday season!

Aloha United Way is pleased to share the **2023 Holiday Wish List** featuring the needs of our participating United Way partner agencies on O'ahu, Hawai'i Island, Kaua'i, and Maui. These partner agencies help thousands in the community. They ask for your generous donation of gifts and time to ensure those they serve have a happy holiday season.

Each organization has at least one donation need or volunteer opportunity.

- 🎁 **Program Need:** Directly supports partner agency programs with items such as toys, food, clothing, and gift cards.
- 🎁 **Agency Need:** Directly supports daily operations with items such as paper, toner, postage stamps, and office furniture.
- 🎁 **Volunteer Opportunities:** Includes staffing for a special event or general assistance with everyday needs.

Agencies listed in this booklet are requesting items and/or volunteers for the holiday season but often have year-round needs. Help support their efforts by volunteering, donating much-needed items, or making a monetary donation. Your gift will make a difference in our community during the holidays and beyond.

Rescuing Quality Food to Nourish and  
Strengthen Our Community

Aloha Harvest is the largest food rescue and redistribution organization in Hawai'i. Free of charge and free of liability, Aloha Harvest picks up quality excess food from donors (grocery stores, restaurants, hotels) and redistributes it to recipient agencies feeding the hungry (homeless shelters, social services, food pantries). Last year, we worked with 414 food donors and 148 recipient agencies to redistribute over 3 million pounds of food that would have otherwise been wasted!

Helping Hands Hawaii provides critical social services to improve people's quality of life and empower them on their path to a better tomorrow. To achieve our mission, we administer a variety of different programs that meet our community needs. We serve households who are financially unstable, homeless, survivors of domestic violence and natural/manmade disasters, seniors with limited income or have mental illness, women-led households, and limited English speaking communities.

## DONATION NEEDS

### Program Needs

#### Wish List Sponsorship:

Adopt A Family<sup>SM</sup> (AAF) is a seasonal program connecting individuals and families in need with donors in the community. Donors make a difference by adopting a family and fulfilling families' holiday wishes. Our goal is to bring 600 families peace, happiness and the magic of the holidays, and we can only achieve this through the kindness and generosity of our donors. The deadline to submit your AAF Donor Registration Form is Friday, November 17, 2023, or when all families have been adopted (whichever comes first). The deadline to drop off Wish List items is Saturday, December 9, 2023. Go to [helpinghandshawaii.org/programs/adopt-a-family-aaf-program/](https://helpinghandshawaii.org/programs/adopt-a-family-aaf-program/) to sign up to help bring joy to families in need this holiday season. If you have any questions or would like more information, contact us at (808) 536-7234 ext. 820 or [AAF@helpinghandshawaii.org](mailto:AAF@helpinghandshawaii.org).

## VOLUNTEER OPPORTUNITIES

**Volunteer Website:** [surferspirit.org/volunteer](http://surferspirit.org/volunteer)

### November Opportunities:

- IT support - We've converted to Google workspace and have been working to set up appropriate parameters in relation to security, permissions, etc, but this effort has been led by the Executive Director, who has 10+ years of experience using the system as well as some skills in setting up the backend details, but is not really an IT person. We need someone to help finalize this transition and ensure we have appropriate security settings and other backend structures to ensure smooth operations for the team. Projecting this to be 10-20 hrs of a time commitment. Looking for someone ideally in November as this is when programs finish and we are looking to onboard new staff in December/January and would like to have this project complete before the new hire. Email or call Executive Director for more details: Meta Dunn - [meta@surferspirit.org](mailto:meta@surferspirit.org) or (808) 554-8805.
- Looking for HR support for review of current policies and identifying additional policies/trainings needed. Projecting 25- 40 hrs of time commitment. Looking for someone ideally in November as this is when programs finish and we are looking to onboard new staff in December/January and would like to have this project complete before the new hire. Email or call Executive Director for more details: Meta Dunn - [meta@surferspirit.org](mailto:meta@surferspirit.org) or (808) 554-8805.

### Ongoing Opportunities:

- Social Media support - someone who will assist with social media posting, ideal candidate may be a college intern or someone who has some background but wants to improve their skills (or someone very skilled that is looking for an amazing organization to donate their time and skills with). Ideal commitment 3-6 months between 5-10 hours a week.
- Mentors - looking for mentors for our 2024 season. Programs run for 8 weeks at a time. We have a spring, summer and fall session. Whether you can assist with one 8-week program or all 3, if you are a surfer and interested in making a positive impact in the life of a teen, we'd love to have you as part of our surf mentor 'ohana. Our website ([surferspirit.org](http://surferspirit.org)) has applications and details for mentors. All mentors are required to undergo a background check (paid for by the organization).

IHS is Hawaii's most comprehensive human services agency focused exclusively on ending or preventing homelessness. We recognize that each houseless person's unique story inspires us to create and offer tailored solutions for those in crisis, and nurture homeless people toward greater self-direction and responsibility. We work with partners in all sectors, to deliver a spectrum of services with urgency, embrace innovation, and advocate for system changes through community education and outreach.

# THE MEDIATION CENTER *of* THE PACIFIC

The Mediation Center of the Pacific (MCP) has been providing mediation and dispute resolution services that are affordable and accessible to Oahu's communities since 1979. MCP's trained volunteers help neighbors, landlords and tenants, separating or divorcing couples, families, and more create their own solutions to resolve their disputes without going to court or other adversarial ways of resolving disputes.

## VOLUNTEER OPPORTUNITIES

### Ongoing Opportunities:

- Mediation and Family Conference Facilitation: schedule variable. Each session about 3-4 hours long. Skills training included. At MCP office or remotely through Zoom. All volunteers must complete an application form prior to volunteering. Commit to at least three years, 5 times a year. Focus on either family disputes about elder issues or general disputes about small claims issues. Email is best form of contact to indicate interest or for more information.

# WHAT DOES AUW > DO?

**A**loha United Way has evolved significantly from a community chest for local nonprofits to a local leader advancing the health, education, and financial stability of our community. P.A.R.C plays an important role in shaping Hawai'i's future. **WE ARE:**

## A PARTNER

The AUW network is built on trusted relationships. We partner with workplaces and leaders in our community that want to make a positive impact. We invest in our nonprofit partners to build better systems and capacity. We work across sectors and partner to create innovative solutions to community problems.

## AN ADVOCATE

AUW works collaboratively and proactively to engage community stakeholders, policymakers, and cross-sector allies to create long-term solutions for our community. As an advocate, we are focused on three primary areas: ALICE Households, Safety Net, and Nonprofit Sector Support.

## A RESOURCE

Our roots as a community chest, fundraising for local nonprofits is still an important role we fill. Today, not only do we provide important financial resources, but marketing and data resources, as well. From ALICE and 211 data to networking and public awareness opportunities, we provide the resources necessary for our social service network to function effectively and efficiently.

## A CONNECTOR

We bring people, partners, and resources together for the greater good. Our 211 Statewide Helpline connects those in need with vital resources. The ALICE Initiative brings multiple community stakeholders together on behalf of ALICE Households. AUW's advocacy work coordinates the efforts of multiple stakeholders to great effect. We bring people closer to one another and closer to the issues plaguing our community through workplace campaigns, affinity groups, and other networks.

## OUR MISSION

**ALOHA UNITED WAY** advances the health, education, and financial stability of every person in our community by bringing together resources, organizations, and people.

# IMPACT YOUR COMMUNITY

**O**ur impact areas are designed to address the most urgent needs in our community and provide donors the opportunity to strategically address systemic problems through thoughtful investment. A UW partners evaluate and manage investments in the following impact areas:

## AUW ALICE FUND

ALICE is an acronym for (Asset Limited, Income Constrained, Employed) and the AUW ALICE Fund directly funds the research and collective impact work of the ALICE Cohort for three-year cycles. The work in 2022-24 focuses on creating greater financial stability and savings, while addressing lack of access to stable and secure housing for ALICE Households.

## COMMUNITY CARE FUND

Aloha United Way is a data hub for our community and the Community Care Fund provides donors the opportunity to invest resources in the most pressing problems in our community. This fund provides an immediate response framework and is intended to provide a framework for flexible and nimble response to emergencies.

# 2-1-1

Aloha United Way

## 211 STATEWIDE RESOURCE HELPLINE

More than 4,000 resources are available online and by phone, text, or email. We continue to make strides in technology and data to influence community and policy response to needs, but the service provides a human response to individuals looking for aid seven days per week. This statewide service directly connects people with community resources. These resources are constantly updated, representing the most comprehensive database of its kind in the state. community through workplace campaigns, affinity groups, and a volunteer network. Aloha United Way brings every sector of our community together.

## SAFETY NET

In an emergency, a safety net is necessary. The Aloha United Way Safety Net Fund provides grant funding to organizations uniquely positioned to respond in an emergency situation. From natural disasters to homelessness, the safety net impact area is there to get resources out quickly and efficiently to the organizations most equipped to respond.
